git

gek

cit

cen

Nonsense Word list: ey (sound E or A), ay

bey

jey

fey

nay

pey

rey

sey

tay

Nonsense Word list: sounds of gh

Description:

When gh is at the beginning of a word, it represents the /g/ sound as in ghastly.

When gh is at the end of a word it often represents the /f/ as in rough. Usually gh is silent as in caught.

If gh is preceded by a letter i, then the i says its long sound and the gh is silent as in night.
